Dear little Muslim!

Allah is Most Kind!  
Have you looked around?  
His blessings you'll find!  
Up in the sky  
Or on the earth's floor,  
Let's find out the things  
To thank Allah for...

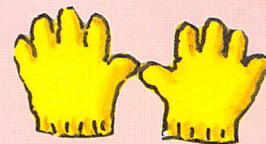

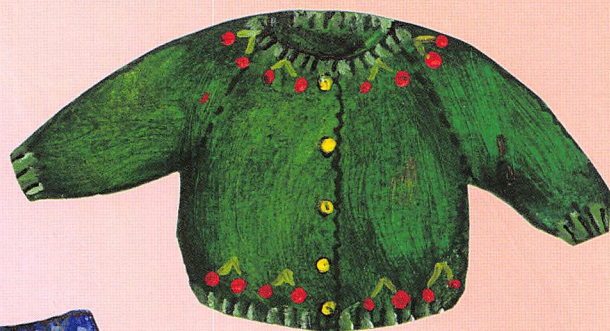

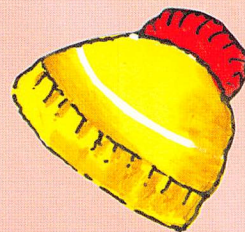

So let's thank Allah  
For fruits that we pick,  
For chocolate desserts  
And lollies we lick.

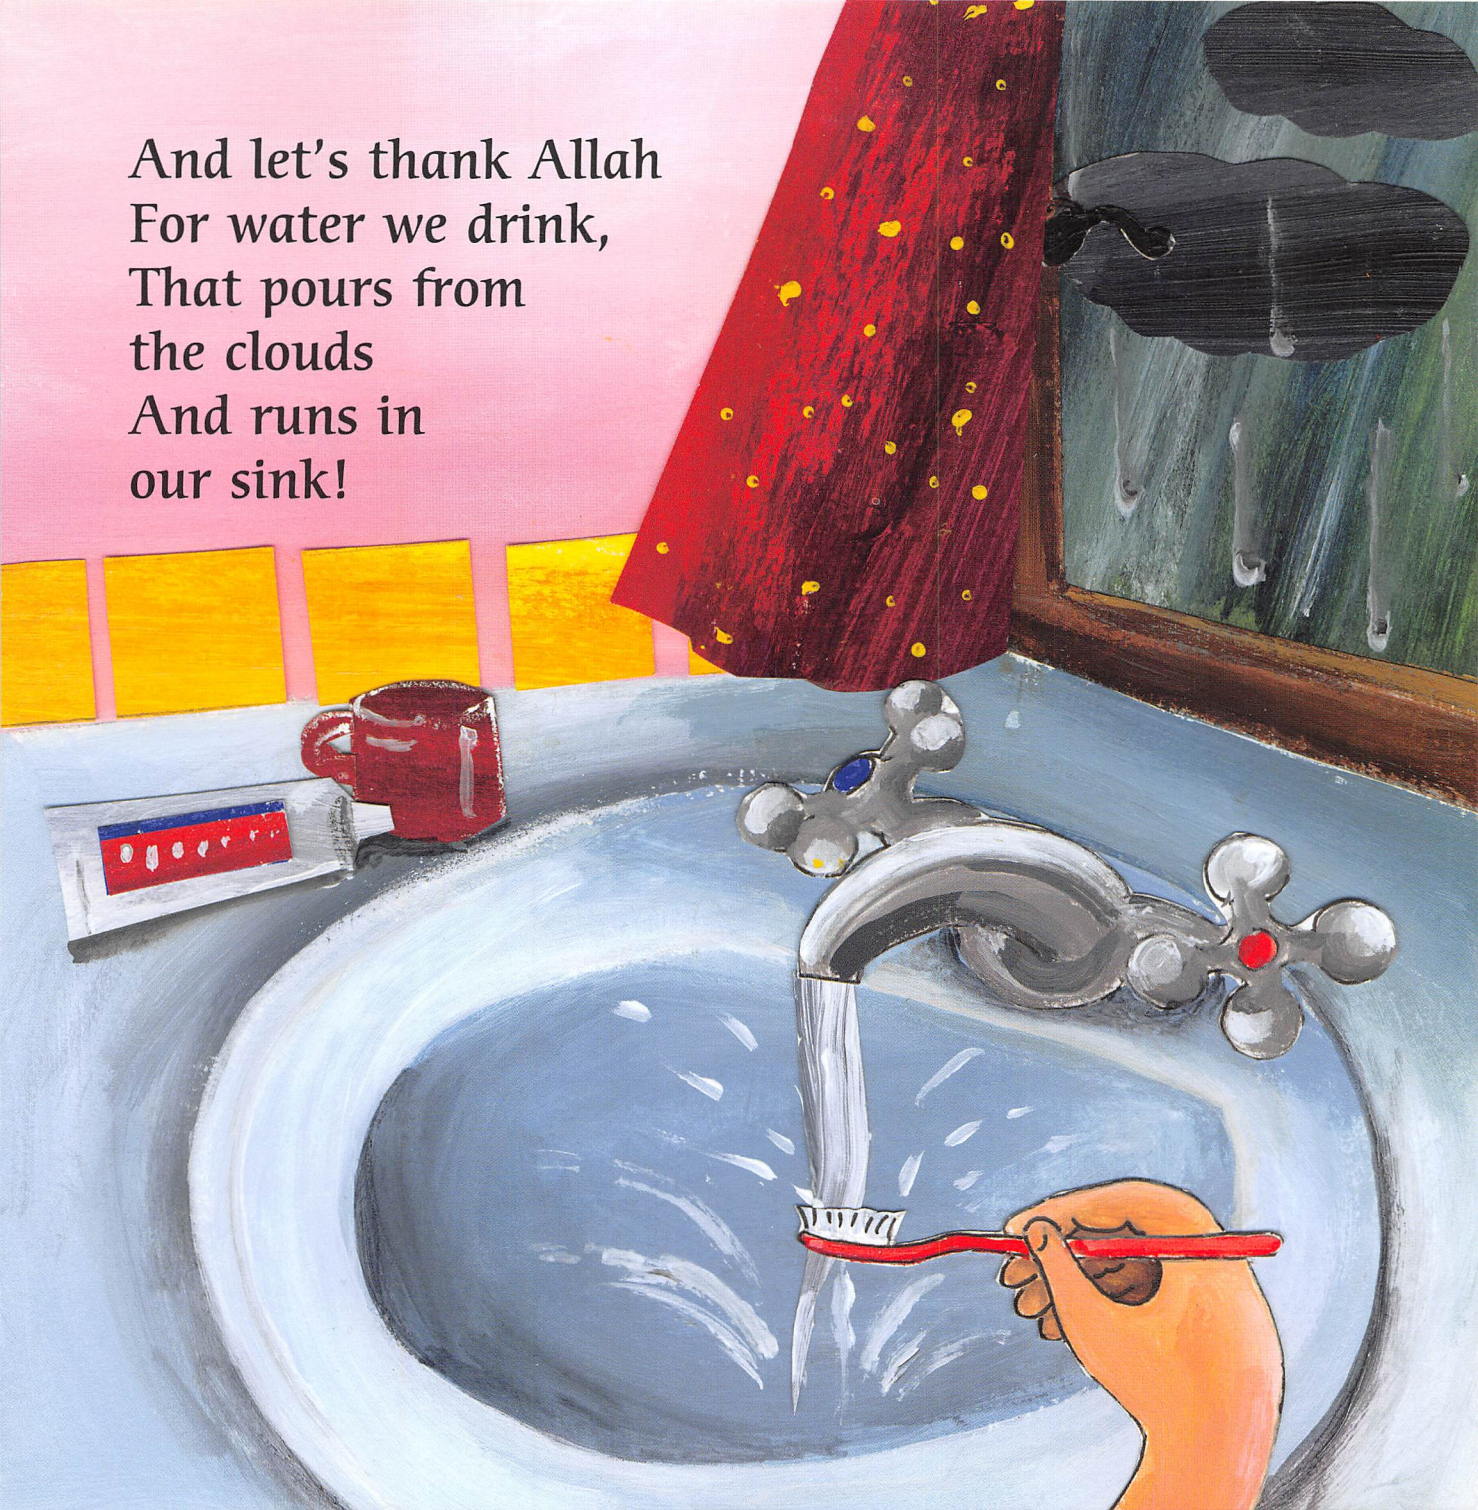

And let's thank Allah  
For giving us clothes,  
For soft, woolly sweaters  
And socks on our toes!

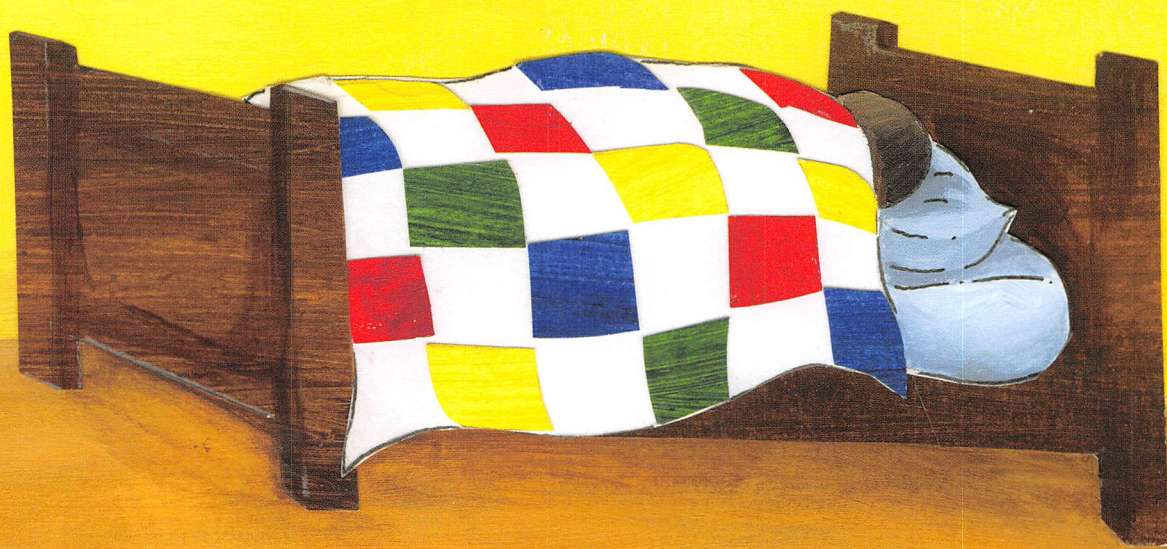

And let's thank Allah  
For water we drink,  
That pours from  
the clouds  
And runs in  
our sink!

And let's thank Allah  
For bringing the night,  
A time to take rest  
Before it's daylight.

And let's thank Allah  
For sending the breeze,  
In summer it cools us  
In winter, we sneeze!

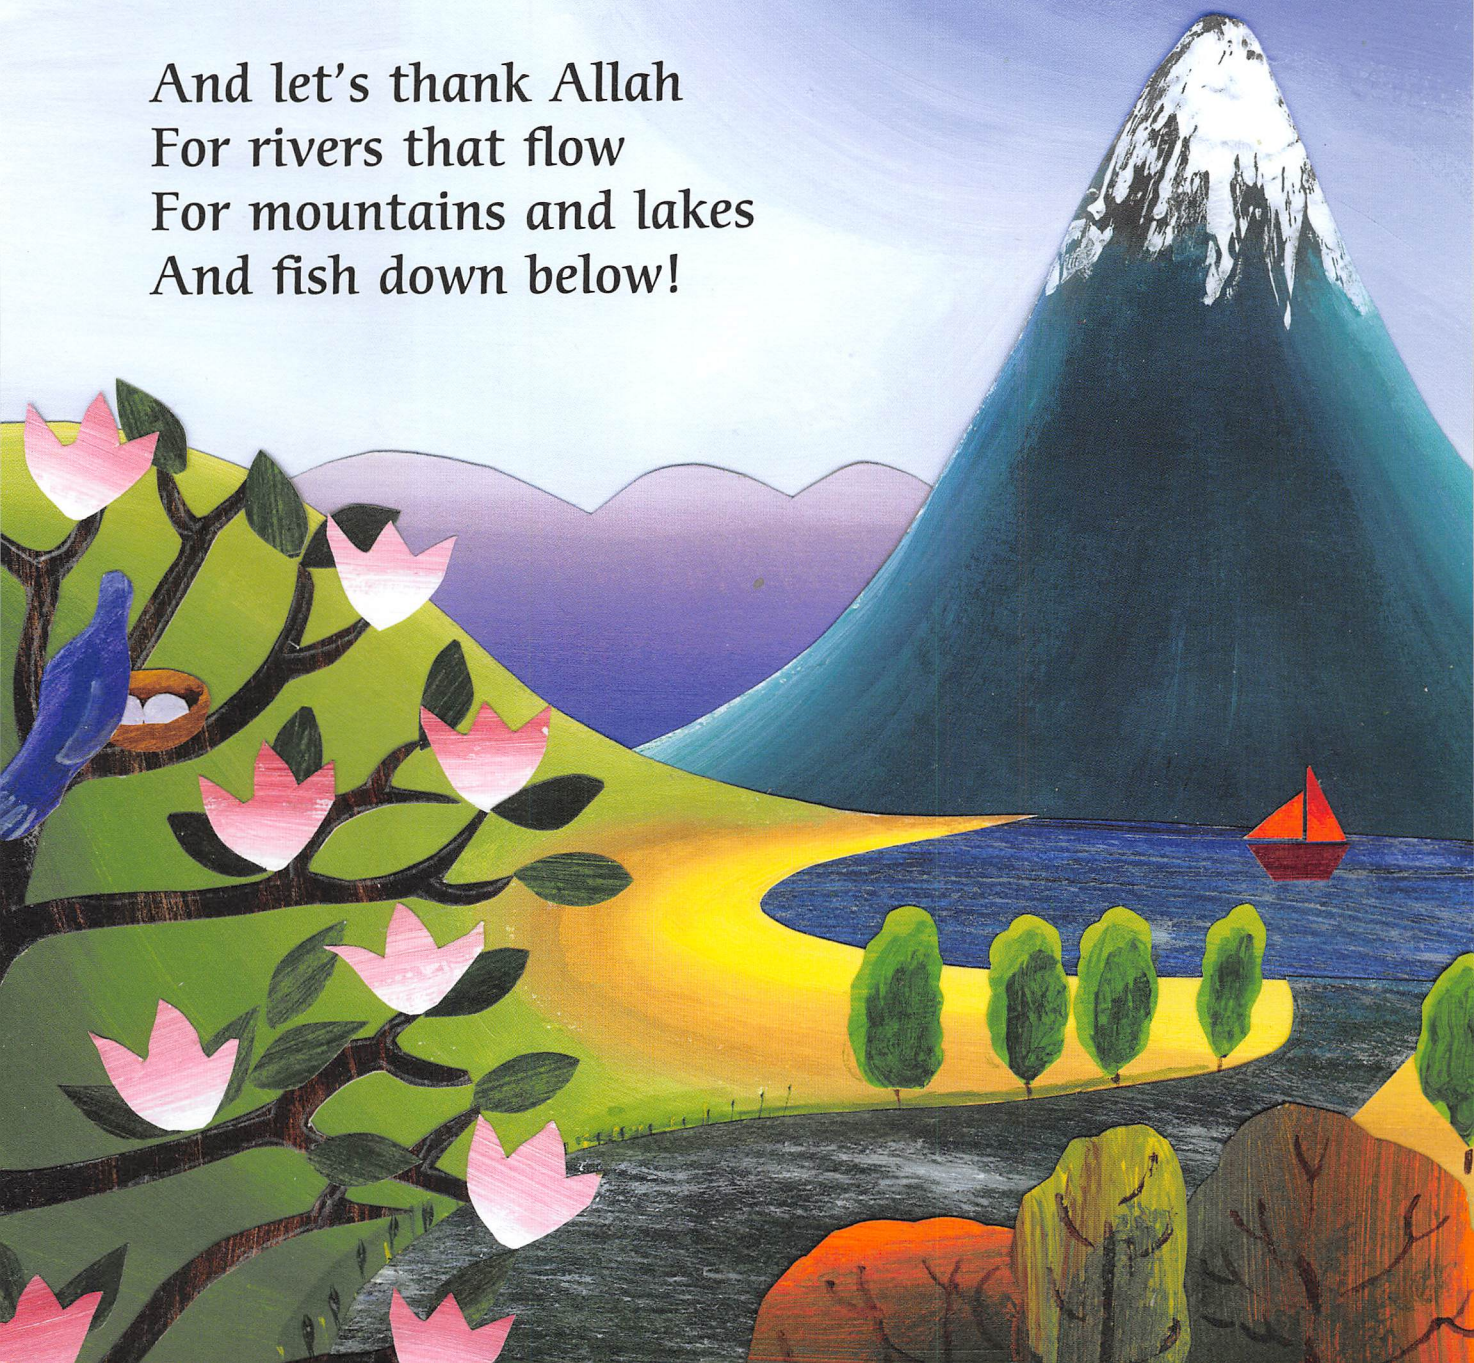

And let's thank Allah  
For sunny, bright rays,  
As well as the rainfall!  
Warm and wet days!

And let's thank Allah  
For rivers that flow  
For mountains and lakes  
And fish down below!

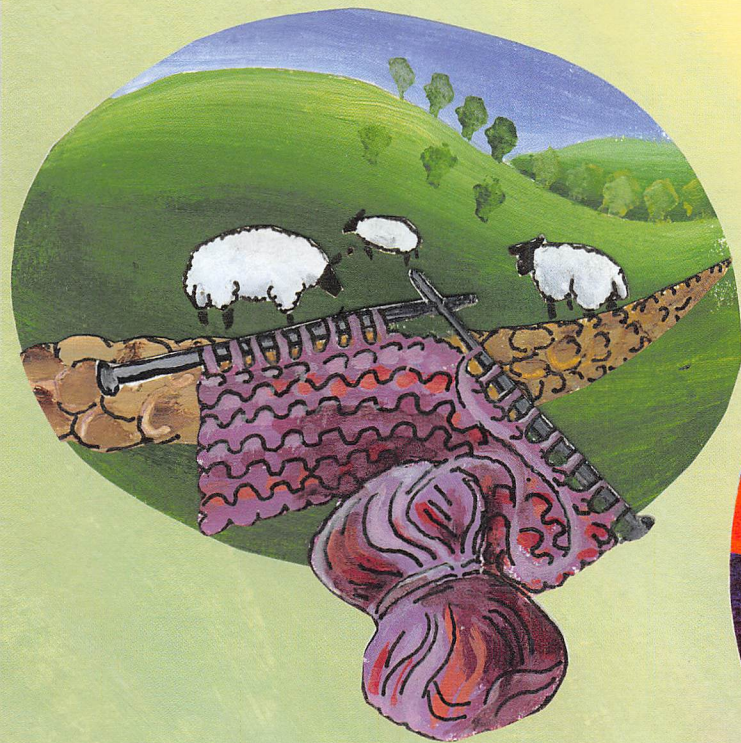

And let's thank Allah  
For big fruity trees,  
For horses we ride  
And honey from bees.

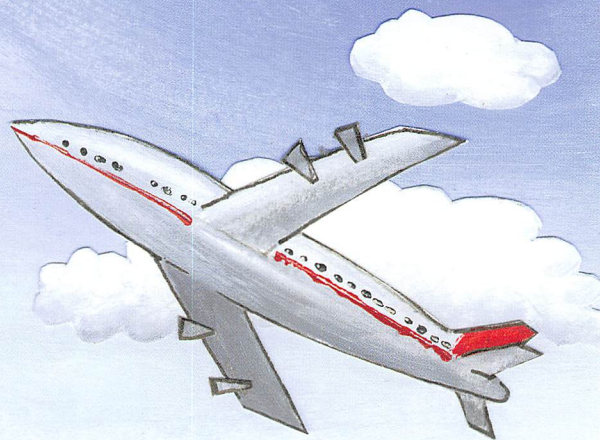

And let's thank Allah  
For cows giving milk,  
For sheep having wool  
And worms making silk!

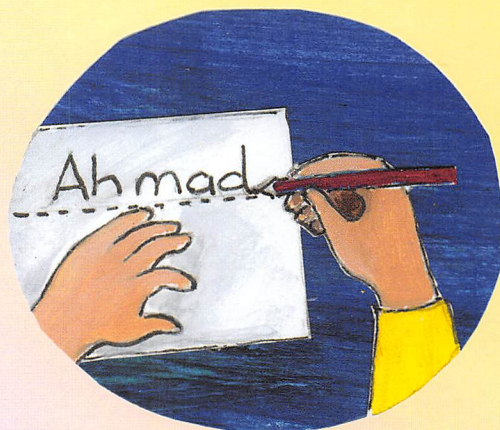

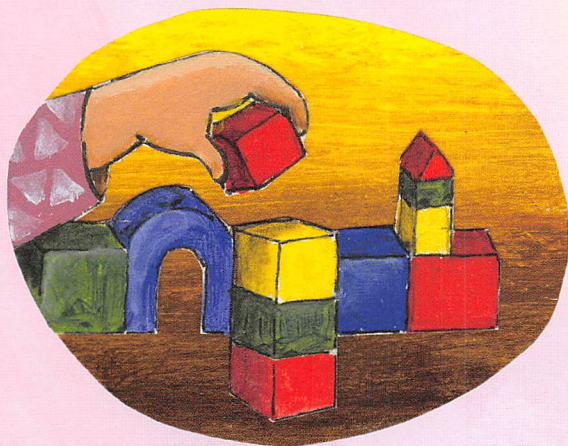

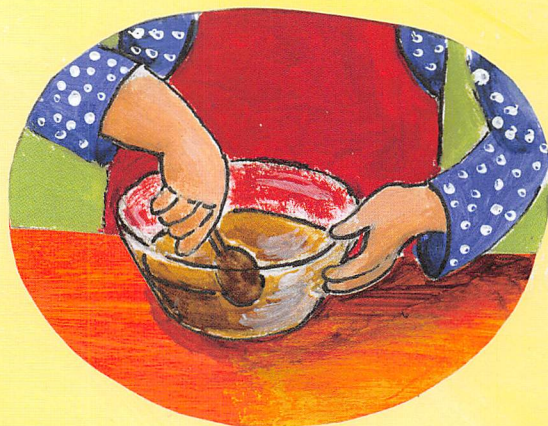

And let's thank Allah  
For trips here and there,  
In buses and cars  
Or up in the air!

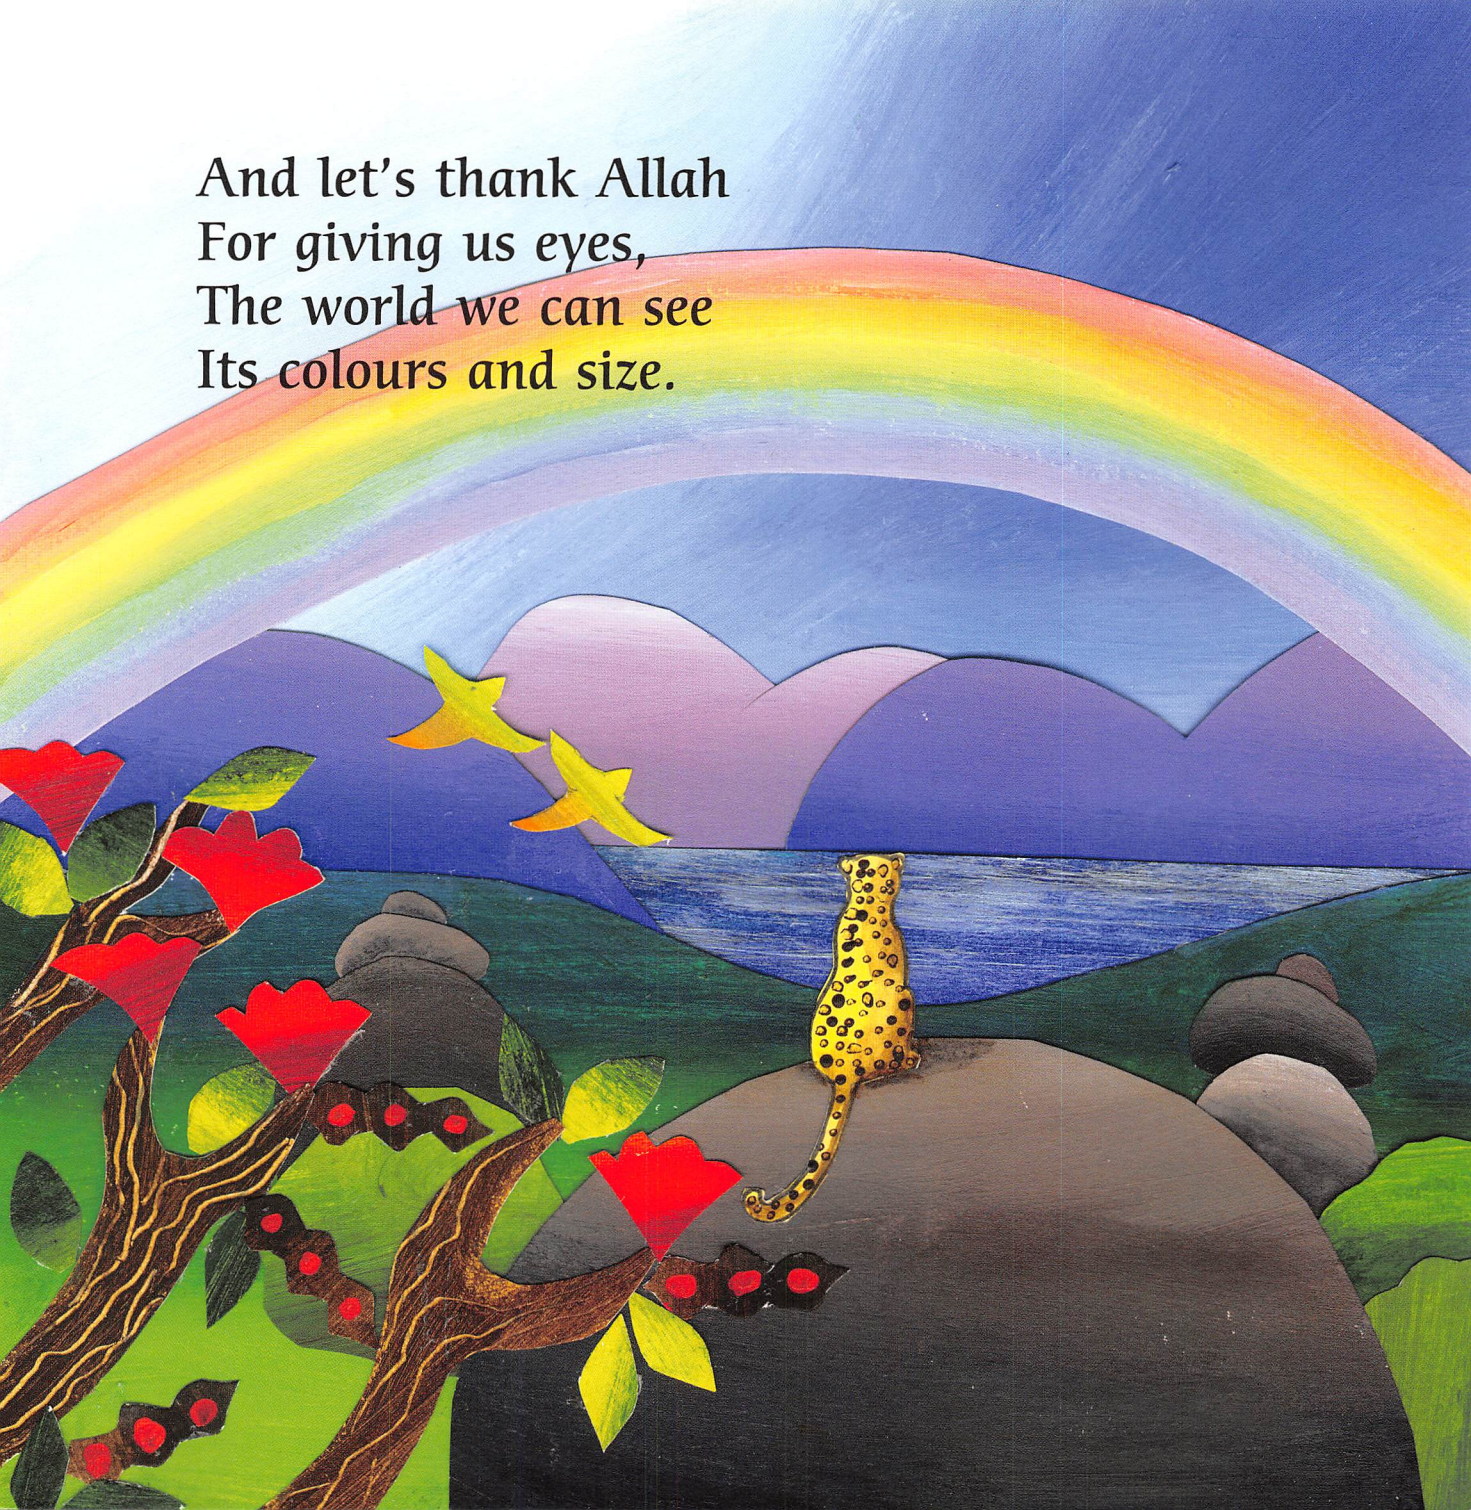

And let's thank Allah  
For hands He gave - two,  
And with our ten fingers  
Great things we do!

And let's thank Allah  
For giving us eyes,  
The world we can see  
Its colours and size.

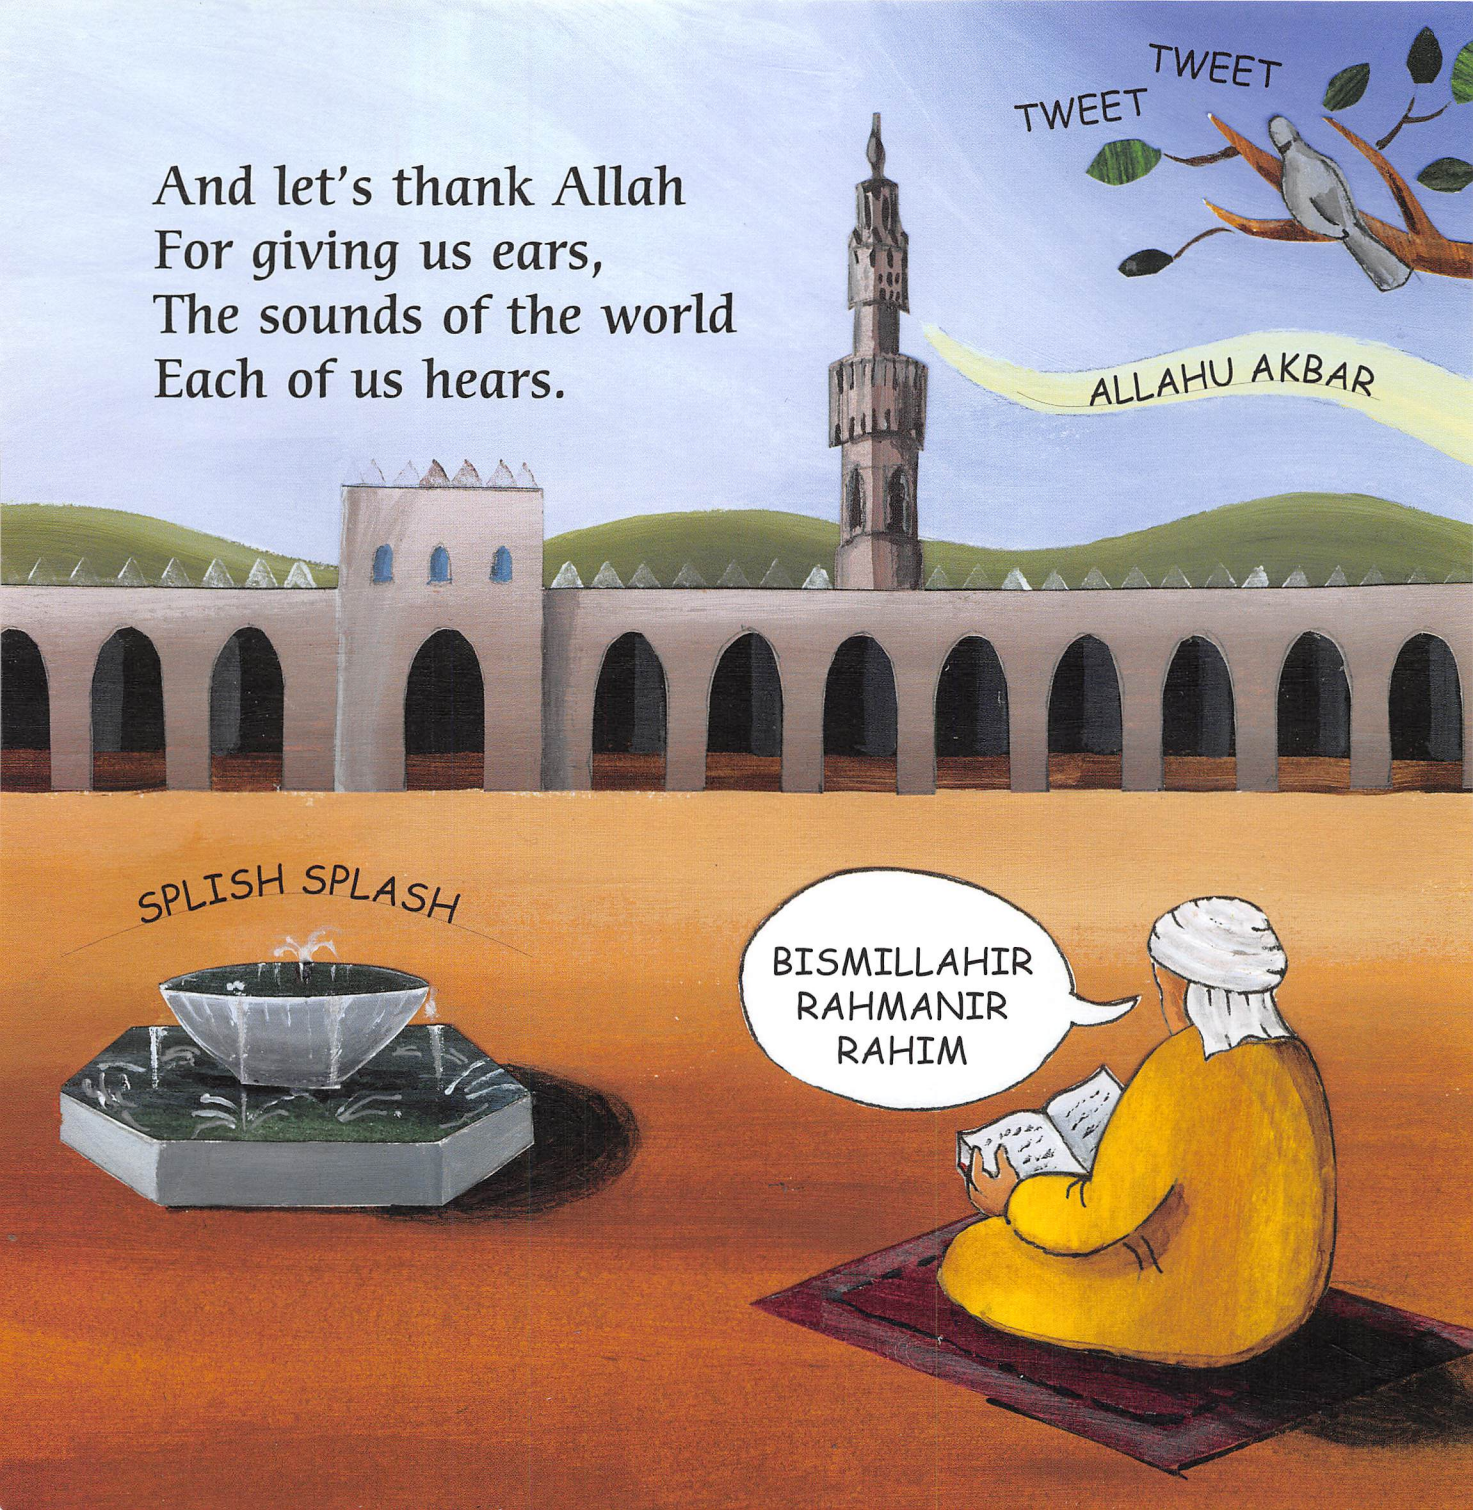

And let's thank Allah  
For giving us ears,  
The sounds of the world  
Each of us hears.

And let's thank Allah  
For both mum and dad,  
Who love us and teach us  
The good from the bad.

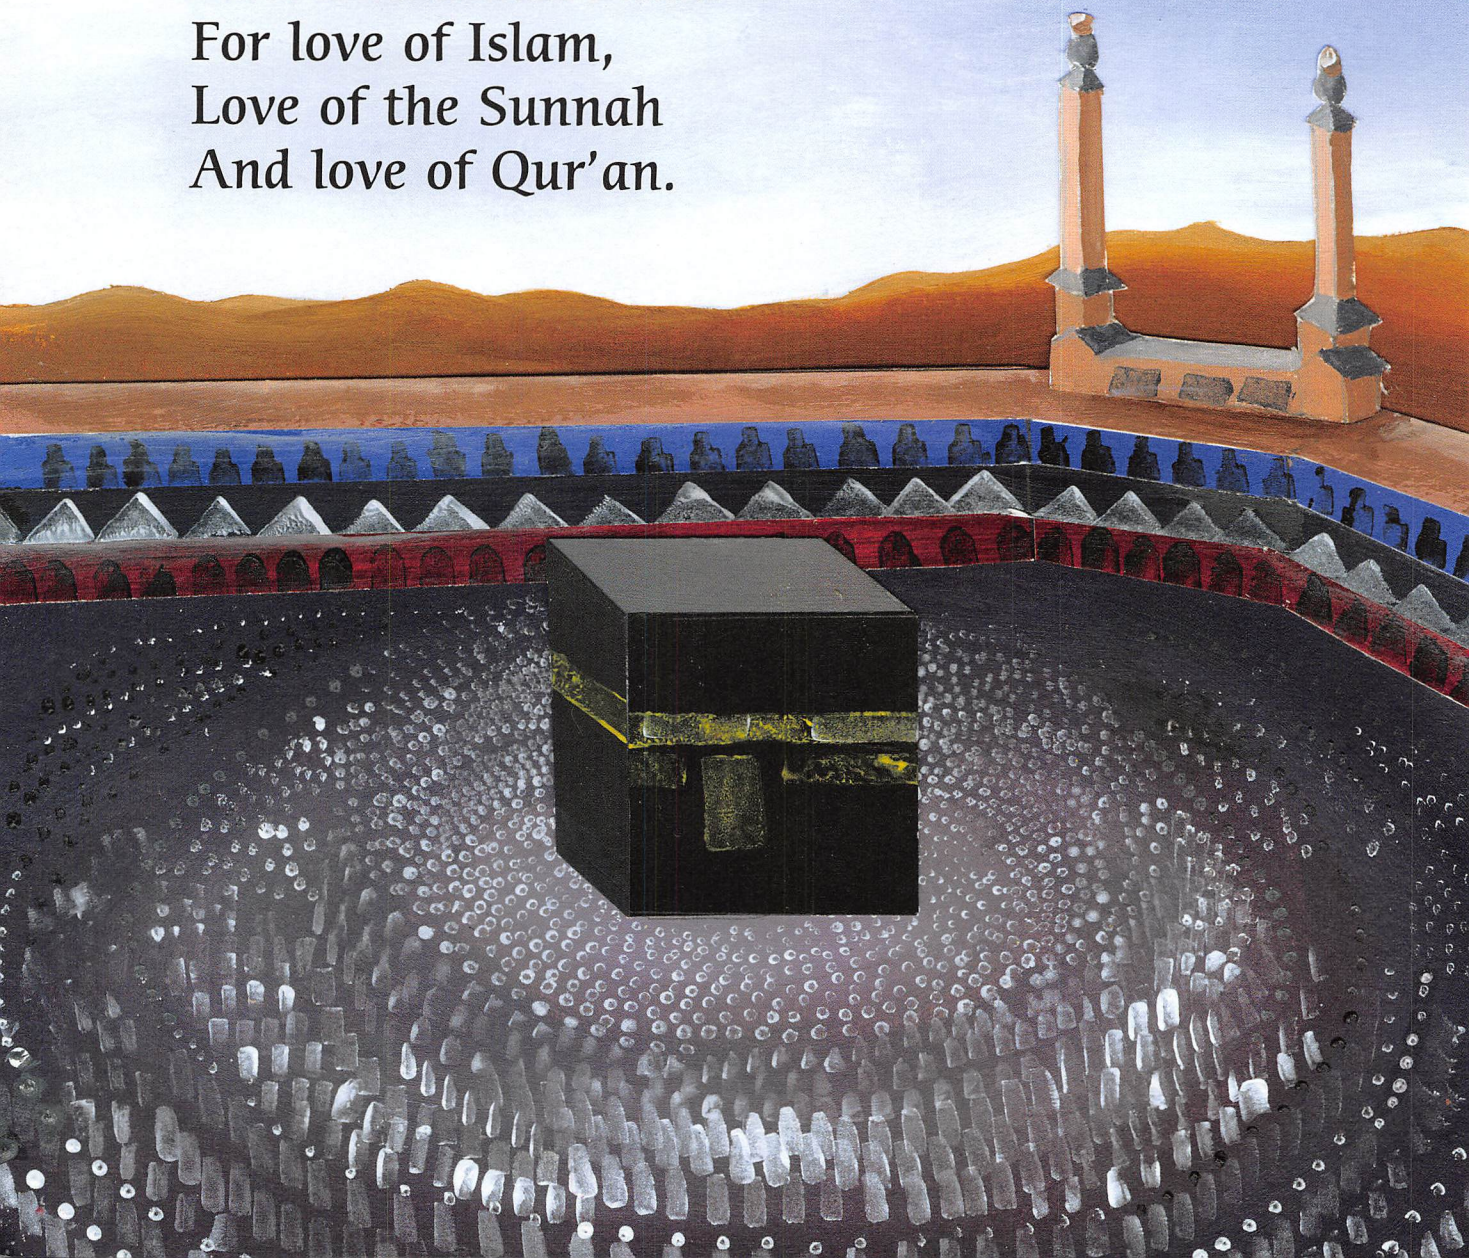

And let's thank Allah  
For knowledge we learn,  
For guidance and light  
And good deeds we earn.

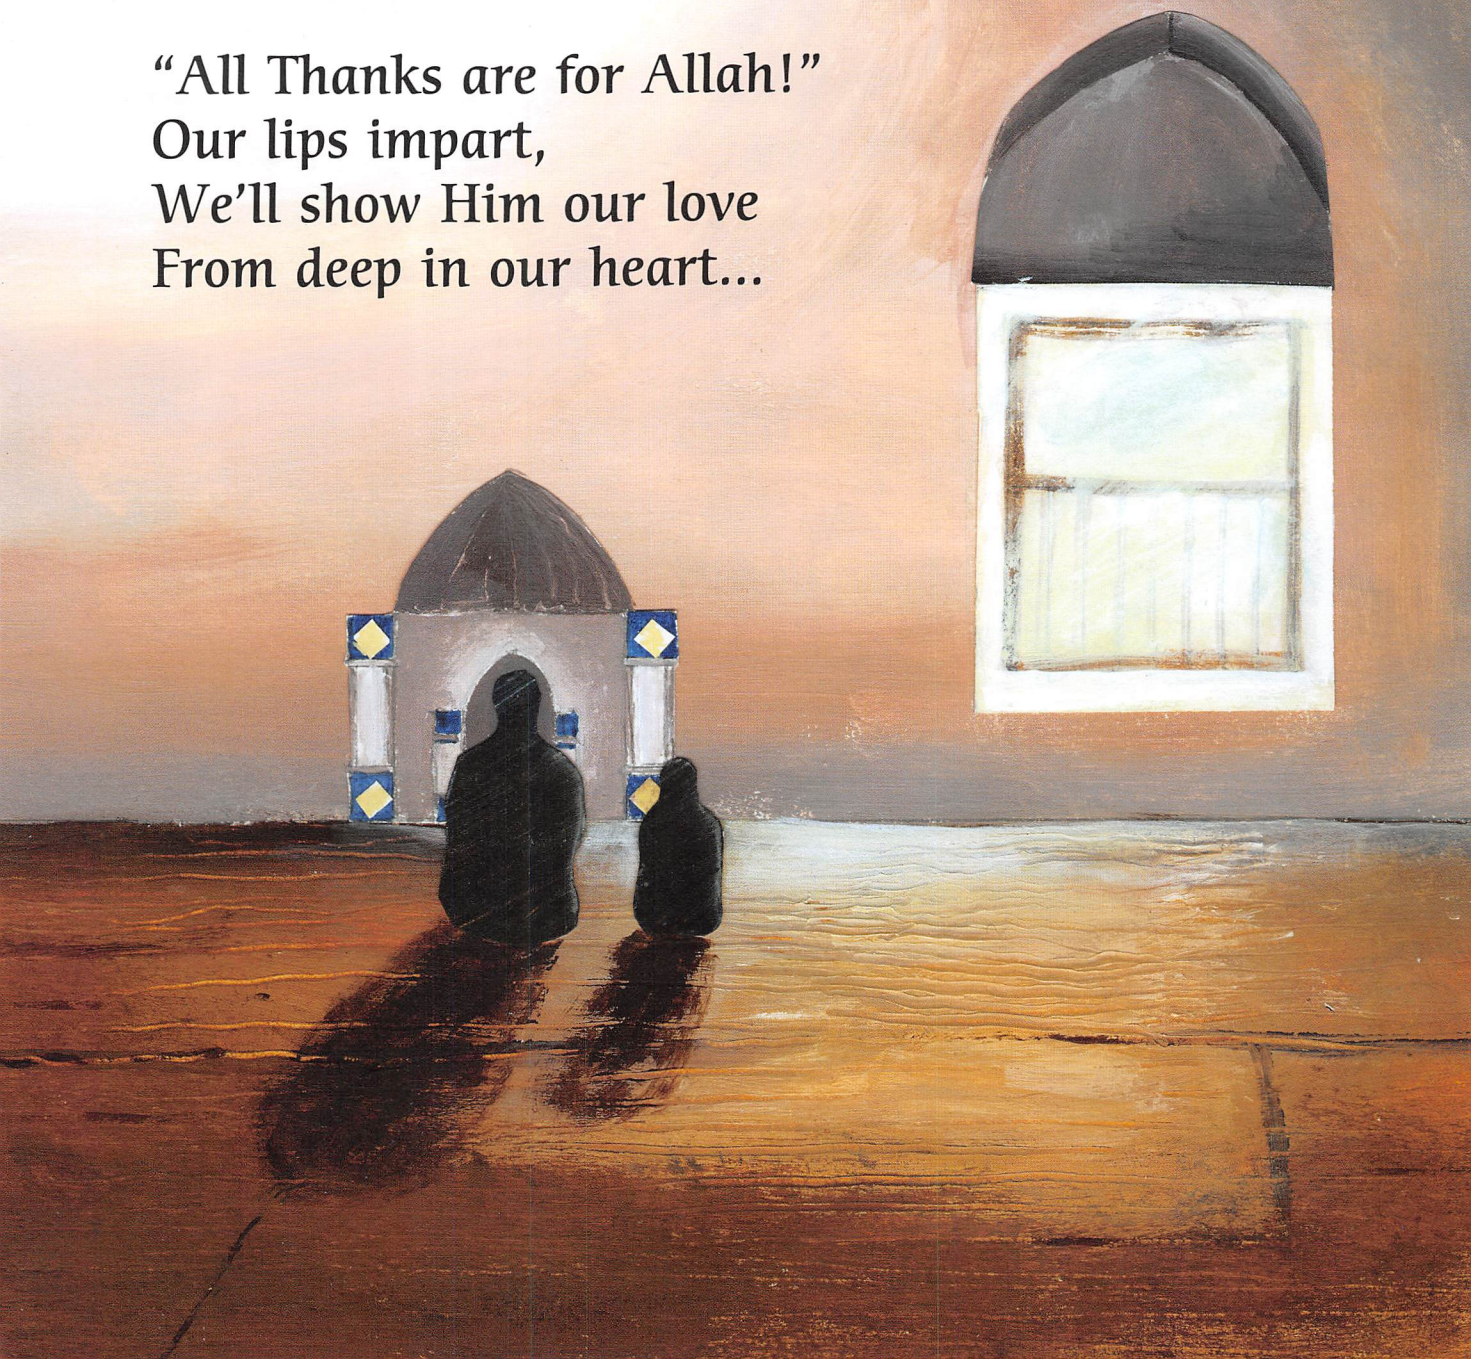

And let's thank Allah  
For love of Islam,  
Love of the Sunnah  
And love of Qur'an.

“All Thanks are for Allah!”  
Our lips impart,  
We’ll show Him our love  
From deep in our heart...

Dear little Muslim!  
Now learn to say:  
'Alhamdulillah'  
And often each day,  
For Allah's great blessings  
Each gift we get,  
'All Praise is for Allah!'  
Have you thanked Him yet?...
